

TURIN 2xGU10 IP54 Rust Red Wall Lamp

Product codes:

Reference: IL-90575

Product features:

Power (W): Máx. 50W
Lampholder: GU10
Colour: Óxido
IP: IP54
Frequency (Hz): 50-60Hz
Measures (mm): 200x100x100mm
Material: Aluminum + PC
Operating temperature: -20°C ~ +55°C
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Product description:

TURIN 2xGU10 Outdoor Wall Light Red Rust The **TURIN outdoor wall light** is a decorative and functional lighting solution, ideal for outdoor use thanks to its IP54 protection. Made of aluminum and glass, and lacquered in a red rust color similar to corten steel, this wall light perfectly adapts to modern and rustic environments.

Inside, the **TURIN wall light** includes two sockets for GU10 LED bulbs (not included), allowing easy replacement of the lighting without changing the entire fixture. The front mounting makes installation quick and easy.

The glass cover of the **TURIN wall light** emits light from both the top and bottom (Up & Down), washing the wall and providing indirect ambient lighting. This design is perfect for creating cozy atmospheres on terraces, balconies, patios, and gardens.

Features of the TURIN Outdoor Wall Light

- **Material:** Aluminum and glass lacquered in a red rust color similar to corten steel
- **Socket:** For two GU10 LED bulbs (not included)
