Minimalist Design and High Performance

The **DESIGN LOLA Linear LED Pendant Light** is a professional lighting solution, made in Spain, designed to deliver efficient, high-quality lighting in demanding environments. Featuring a **black matte lacquered aluminium profile** and a modern design, it is ideal for spaces that require elegant and functional lighting.

Equipped with **SMD3040 LED chips**, it delivers an outstanding performance of **110Lm/W**, producing a luminous flux of **8800 lumens** while consuming only **80W**. Perfect for intensive use up to 24 hours, this pendant ensures durability and reliability in any setting.

Visual Comfort and Efficiency

The **DESIGN LOLA Linear Light** incorporates a **microprismatic diffuser** that reduces glare index to **UGR19**, providing uniform and pleasant lighting for workspaces, studios, and offices. This design prevents eye strain, enhancing comfort and productivity.

Easy Installation and Connection

The pendant comes with an **adjustable suspension kit** of up to 2 meters, allowing ceiling mounting and height adjustment as needed. Electrical connection is made directly to **230V** using the supplied cable, ensuring quick and safe installation.
