

# 24W 300x300mm Square Surface LED Panel IP20

## Product codes:

Reference: DLESCB24W

## Product features:

Power (W): 24  
Power source (V): 100-240V  
Color temperature CCT: 2700K  
Color temperature CCT: 4000K  
Color temperature CCT: 6500K  
LED: SMD2835  
Brightness (Lm): 1920  
CRI: +80  
Colour: White  
IP: IP20  
Luminous angle: 120°  
Frequency (Hz): 50-60Hz  
Measures (mm): 298x298x32mm  
Material: Aluminum + PMMA  
Operating temperature: -20°C ~ +40°C  
Energy efficiency 2021: A+  
Energy efficiency 2023: F  
Lifespan: 25.000h  
Certification: CE - RoHS  
Warranty: 3 años

## Product attributes:

Color temperature CCT (°K): Natural white 4000K

## Product description:

Square Surface Downlight 24W 300x300mm The **square surface downlight 24W** is a modern and efficient lighting solution designed to provide optimal illumination in any space. Made of high-quality aluminum and PMMA, and lacquered in white, it ensures durability and an elegant aesthetic.

With a luminous flux of 1920 lumens, this downlight effectively replaces conventional luminaires, offering up to 80% energy savings. Its square design and dimensions of 298x298x32mm make it perfect for surface installation on ceilings, providing uniform and clear light.

Features of the Square Surface Downlight

- **Material:** High-quality aluminum and PMMA
- **Color:** Lacquered in white
- **Power:** 24W
- **Luminous Flux:** 1920 lumens
- **Energy Savings:** Up to 80% compared to conventional luminaires
- **Dimensions:** 298x298x32mm

## Uses and Applications of the Square Surface Downlight

- **Homes:** Ideal for living rooms, kitchens, hallways, and any other space requiring clear and efficient lighting.
- **Offices:** Perfect for providing adequate lighting in work areas, ensuring a well-lit and productive environment.
- **Stores:** Enhances product visibility and creates a pleasant atmosphere for customers.
- **Restaurants and Bars:** Offers uniform and clear lighting, creating a welcoming and modern ambiance.
- **Public Spaces:** Suitable for hallways, receptions, and other areas requiring constant, high-quality lighting.
