Product description:

Oval Wall or Ceiling Lamp Turtle Type - SANGUESA Model

The **SANGUESA oval wall or ceiling turtle-type lamp** is a durable and functional luminaire, designed for environments that require greater protection. Made of high-quality **PC** with a **glass diffuser**, this lamp includes a **protective grille** that ensures greater durability. Compatible with **E27 socket LED bulbs** (not included), it is ideal for illuminating humid areas and covered outdoor spaces.

Protection in Humid and Outdoor Areas

Thanks to its **IP44 rating**, the SANGUESA lamp is suitable for **humid environments** and **covered outdoor spaces**. Its **IK05 impact resistance rating** provides excellent durability in high-traffic areas or areas exposed to demanding conditions.

Technical Specifications:

- **Material:** PC with glass diffuser and protective grille
- **Socket:** E27 (LED bulb not included)
- **IP Rating:** IP44 (water and dust resistant)

- **Impact Resistance:** IK05
- **Dimensions:** 124x175x106mm
- **Warranty:** 5 years

Recommended Uses:

- Covered outdoor areas
- Garages and storage rooms
- Bathrooms and humid areas
- Hallways and outdoor common areas

The **SANGUESA lamp** is an excellent option for lighting any space that requires greater resistance and protection against challenging environmental conditions.
