Product description:

MISSOURI 7W LED Wall Light

The **LED Wall Light MISSOURI** is a modern and functional lighting solution, ideal for those seeking an elegant and efficient design. Made of high-quality aluminum and lacquered in black, this wall light guarantees durability and style in any setting.

The **MISSOURI wall light** features a 7W COB LED, providing a luminous flux of 540 lumens. With a bidirectional UP&DOWN lighting system, it emits light upwards and downwards, creating a spectacular wall-washing light effect. Additionally, you can open or close the optics to create different lighting shapes (see demonstration video below).

With a neutral white color temperature of 4000K, the **MISSOURI LED wall light** offers clear and comfortable lighting, ideal for any space. Thanks to its IP54 rating, it is perfect for both indoor and outdoor use, and its IK08 impact resistance makes it durable against shocks and impacts.
