

5W 30cm Selectable CCT Undercabinet T5 LED batten with switch

Product codes:

Reference: PLRI5W

Product features:

Power (W): 5
 Power source (V): 100-240V
 Color temperature CCT: Seleccionable
 3000K-4000K-6000K
 LED: SMD2835
 LED chip brand: SAN'AN
 Brightness (Lm): 472
 CRI: +80
 Colour: White
 IP: IP20
 Luminous angle: 0.90
 Frequency (Hz): 50-60Hz
 Power factor: 0.90
 Measures (mm): 295x22x34mm
 Material: Aluminum + PC
 Operating temperature: -20°C ~ +40°C
 Energy efficiency 2021: A+
 Energy efficiency 2023: F
 Lifespan: 25.000h
 Certification: CE - RoHS
 Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Selectable CCT (3000K-4000K-6000K)

Product description:

LED T5 Batten 5W 30cm 472Lm With Switch Compact and Modular LED Lighting for Cabinets and Shelves

The **5W T5 LED Batten** is an efficient, compact lighting solution, perfect for installing under kitchen cabinets, shelves, counters, and bookcases. With a length of **295mm** and a luminous flux of **472 lumens**, this batten provides uniform lighting with no shadows or dark spots, ideal for highlighting specific areas and adding a modern touch to any setting.

Modular Connection for Maximum Flexibility

Easy Installation and Direct Connection to Mains

The **LED T5 batten** is designed for **simple and quick installation**. With **direct connection to 230V**, it does not require additional transformers or drivers, simplifying the setup. This model **includes a switch** for more practical on and off control. Additionally, it features a **side-mounted CCT color temperature selector**, allowing you to choose between **warm white (3000K)**, **neutral white (4000K)**, and **cool white (6500K)**, adapting to the lighting needs of any space.

Technical Specifications of the 5W T5 LED Batten - 30cm

- **Power:** 5W
- **Luminous Flux:** 472 lumens
- **Dimensions:** 295x22x34mm
- **Beam Angle:** 120°
- **Material:** Aluminum and PC
- **Light Color:** CCT Color Temperature Selectable (3000K, 4000K, 6500K)
- **Light Color Selector:** Side-mounted selector
- **Connection:** Direct to 230V
- **Protection Rating:** IP20 (for indoor use)
- **Interconnection:** Up to 10 battens with a single power point
- **Installation:** Under cabinets, shelves, counters
- **Lifespan:** 25,000 hours
- **Certifications:** CE, RoHS
- **Warranty:** 3 years

Product Advantages

- **Continuous, Shadow-free Lighting:** Interconnection of up to 10 battens without dark spots for a continuous, uniform illumination.
- **Flexible Installation:** Perfect for adapting the lighting to any length and furniture configuration.
- **Energy Saving:** With only 5W consumption, it offers efficient, low-energy lighting.
- **Compact Design:** Small size allows discreet integration under cabinets and on shelves.
- **Durability and Resistance:** High-quality materials with a 25,000-hour lifespan, ideal for prolonged use.

Recommended Uses and Applications

The **5W T5 LED Batten** is ideal for a wide range of indoor applications, providing bright and continuous lighting in areas that require a compact, discreet design. Perfect for:

- **Kitchen Cabinets:** Precisely illuminates work areas and highlights decorative details.
- **Bathrooms and Mirrors:** Adds extra lighting to create a more functional and modern environment.
- **Shelves and Bookcases:** Provides soft and continuous light to highlight books and decorative objects.
- **Store Counters:** Ideal for illuminating display cases and showcasing products attractively.
- **Hallway Lighting:** Perfect for low-height passage areas requiring linear lighting.

Package Contents

- 1 x 5W T5 LED Batten - 30cm
- Mounting kit
- Interconnection connector
- Instruction manual

Note: For independent control of each batten, it is recommended to use additional switches on the power line.
