

## 3W G45 E27 Premium LED Bulb 288Lm

### Product codes:

Reference: BC-27-3W

### Product features:

Power (W): 3  
Power source (V): 220-240V  
Color temperature CCT: 2700K  
Color temperature CCT: 4000K  
Color temperature CCT: 6500K  
LED: SMD2835  
Lampholder: E27  
Brightness (Lm): 288  
CRI: +80  
Colour: White  
IP: IP20  
Luminous angle: 300°  
Frequency (Hz): 50-60Hz  
Measures (mm): Ø45x59mm  
Material: Aluminum + PC  
Operating temperature: -20°C ~ +40°C  
Energy efficiency 2021: A+  
Lifespan: 25.000h  
Certification: CE - RoHS  
Warranty: 3 años

### Product attributes:

Color temperature CCT (°K): Cool white 6500K, Warm white 2700K, Natural white 4000K

### Product description:

3W spherical G45 E27 LED Bulb 288Lm Upgrade your lighting solution with our Spherical G45 E27 LED Bulb. This bulb combines energy efficiency and superior performance to provide exceptional lighting to your space. With a power consumption of only 3W, it delivers 288 lumens of brightness, making it an ideal alternative to traditional incandescent bulbs.

Made with durable aluminum and PC materials, this bulb ensures durability and reliability. Its SMD2835 LED technology offers efficient and consistent lighting with minimal energy consumption. With a wide beam angle of 300°, it provides uniform illumination throughout the room, enhancing visibility and comfort.

Whether you need inviting and cozy lighting for residential spaces or bright and clear lighting for commercial areas, our Spherical G45 E27 LED Bulb is the perfect choice.

Technical Specifications :

- Power: 3W
- Luminous Flux: 288 lumens
- LED Type: SMD2835

- Beam Angle: 300°
- Dimensions: Ø45x59mm
- Voltage: 220-240V
- Dimmable: No
- Material: Aluminum, PC
- Available Color Temperatures: Warm White (2700K), Natural White (4000K), Cool White (6500K)

#### Installation and Mounting Recommendations :

To install the Spherical G45 E27 LED Bulb, simply screw it into any standard E27 socket. For optimal performance and longer lifespan, avoid exposing the bulb to excessive heat or moisture.

#### Recommended Uses and Applications :

- Residential lighting, including living rooms, bedrooms, and kitchens.
- Commercial lighting, such as offices, retail stores, and restaurants.
- Hospitality environments, including hotels, lobbies, and guest rooms.
- Task lighting for workspaces, offices, and reading areas.
- Accent lighting for artwork, displays, and architectural features.
