

10W Slim White Outdoor LED Floodlight IP65

Product codes:

Reference: PL-FLB10W

Product features:

Power (W): 10
Power source (V): 220-240V
Color temperature CCT: 3000K
Color temperature CCT: 4000K
Color temperature CCT: 6500K
LED: SMD2835
Brightness (Lm): 1100
CRI: +80
Colour: White
IP: IP65
Luminous angle: 120°
Frequency (Hz): 50-60Hz
Measures (mm): 115x106x35mm
Material: Aluminum + glass
Operating temperature: -20°C ~ +55°C
Energy efficiency 2021: A+
Lifespan: 25.000h
Certification: CE - RoHS
Warranty: 2 años

Product attributes:

Color temperature CCT (°K): Natural white 4000K, Warm white 3000K

Product description:

Slim White Outdoor LED Floodlight 10W IP65 **LED Floodlight with White Housing**, featuring a slim, modern, and elegant design, ideal for illuminating both outdoor and indoor spaces. This floodlight, made of aluminum and glass, is extremely lightweight and designed to provide efficient, high-quality lighting.

Equipped with a high-brightness **SMD2835 LED**, the floodlight delivers a luminous flux of 1100 lumens, distributed over a 120° beam angle, ensuring wide and uniform coverage in the illuminated area.

The **adjustable bracket** allows for versatile mounting, whether on the ground, wall, or ceiling, and offers the possibility to direct the light in the desired direction, adapting to the specific needs of each installation.

Technical Specifications

- **Luminous Flux:** 1100 lumens
- **LED Chip:** High-brightness SMD2835
- **Material:** Aluminum and glass
- **Color:** White
- **Beam Angle:** 120°

- **Dimensions:** 115x106x35mm
- **Mounting:** On ground, wall, or ceiling with adjustable bracket
- **Warranty:** 3 years

Uses and Applications of the Slim White LED Floodlight

- **Outdoor Lighting:** Perfect for gardens, patios, facades, and exterior areas where elegant and effective lighting is needed.
- **Indoor Lighting:** Ideal for illuminating warehouses, garages, and large indoor spaces that require powerful and well-distributed light.
- **Facade Lighting:** Highlights architectural details and enhances nighttime visibility.
- **Commercial Lighting:** Useful in shop windows, stores, and other commercial environments where a modern design and functional lighting are sought.
