

## 30W Slim White LED Floodlight IP65 3300Lm

### Product codes:

Reference: PL-FLB30W

### Product features:

Power (W): 10  
Power source (V): 220-240V  
Color temperature CCT: 3000K  
Color temperature CCT: 4000K  
Color temperature CCT: 6500K  
LED: SMD2835  
Luminous efficacy (Lm/W): 110  
Brightness (Lm): 3300  
CRI: +80  
Colour: White  
IP: IP65  
Luminous angle: 120°  
Frequency (Hz): 50-60Hz  
Measures (mm): 185x178x50mm  
Material: Aluminum + glass  
Operating temperature: -20°C ~ +55°C  
Energy efficiency 2021: A+  
Lifespan: 25.000h  
Certification: CE - RoHS  
Warranty: 3 años

### Product attributes:

Color temperature CCT (°K): Cool white 6500K, Warm white 3000K

### Product description:

Slim White 30W LED Floodlight for Outdoor Use IP65 **LED Floodlight with White Housing**, featuring a slim, modern, and elegant design, ideal for illuminating both outdoor and indoor spaces. This floodlight, made of aluminum and glass, is extremely lightweight and designed to provide efficient and high-quality lighting.

Equipped with a high-brightness **SMD2835 LED**, the floodlight delivers a luminous flux of 3300 lumens, distributed over a 120° beam angle, ensuring broad and uniform coverage of the illuminated area.

The **adjustable bracket** allows for versatile mounting, whether on the ground, wall, or ceiling, and offers the flexibility to direct the light in the desired direction, adapting to the specific needs of each installation.

#### Technical Specifications

- **Luminous Flux:** 3300 lumens
- **LED Chip:** High-brightness SMD2835
- **Material:** Aluminum and glass
- **Color:** White
- **Beam Angle:** 120°

- **Dimensions:** 185x178x50mm
- **Mounting:** Ground, wall, or ceiling with adjustable bracket
- **Warranty:** 3 years

#### Uses and Applications of the Slim White LED Floodlight

- **Outdoor Lighting:** Perfect for gardens, patios, facades, and outdoor areas where elegant and effective lighting is needed.
- **Indoor Lighting:** Ideal for illuminating warehouses, garages, and large indoor spaces requiring powerful and well-distributed light.
- **Facade Lighting:** Highlights architectural details and enhances nighttime visibility.
- **Commercial Lighting:** Useful in storefronts, shops, and other commercial settings where a modern design and functional lighting are desired.
