

6W Black LUCA IP54 Wall Lamp by SOLLUX

Product codes:

Reference: SL.0545

Product features:

Power (W): 6
Power source (V): 220-240V
Color temperature CCT: 2700K
Color temperature CCT: 4000K
LED: SMD2835
Brightness (Lm): 380
CRI: +80
Colour: Black
IP: IP54
IK: IK08
Luminous angle: Adjustable
Frequency (Hz): 50-60Hz
Measures (mm): 100x100x100mm
Material: Aluminum + PC
Operating temperature: -20°C ~ +35°C
Energy efficiency 2023: F
Lifespan: 40.000h
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Natural white 4000K, Warm white 2700K

Product description:

LED Wall Light LUCA Black The **LUCA LED wall light** is a modern and elegant lighting solution, perfect for those looking for high-quality lighting for both indoor and outdoor use. Made of aluminum and lacquered in high-quality black, it guarantees durability and aesthetics in any environment.

The **LUCA LED wall light** has an integrated 6W LED, offering a luminous flux of 380 lumens in two color temperature options: neutral white 4000K or warm white 3000K, allowing you to customize the lighting to specific needs.

This wall light is easily mounted to the wall with the supplied accessories. With an IP54 rating, it is suitable for installation both indoors and outdoors, providing a versatile and weather-resistant solution.
