

## 56W 150cm waterproof LED Batten 6600Lm IP65

### Product codes:

Reference: PLE56W150

### Product features:

Power (W): 56  
 Power source (V): 220-240V  
 Color temperature CCT: Seleccionable  
 3000K-4000K-6000K  
 LED: SMD2835  
 Brightness (Lm): 6600  
 CRI: +80  
 Colour: Grey  
 IP: IP65  
 IK: IK08  
 Luminous angle: 120°  
 Frequency (Hz): 50-60Hz  
 Power factor: 0.90  
 Measures (mm): 1500x92x60mm  
 Material: PC  
 Operating temperature: -20°C ~ +40°C  
 Energy efficiency 2021: A+  
 Energy efficiency 2023: E  
 Lifespan: 50.000h  
 Certification: CE - RoHS  
 Warranty: 5 años

### Product attributes:

Color temperature CCT (°K): Selectable CCT (3000K-4000K-6000K)

### Product description:

Waterproof LED Batten Linear 56W 150cm The **Waterproof LED Batten Linear 56W** is a versatile and efficient lighting solution, ideal for indoor and outdoor use thanks to its IP65 rating and IK08 resistance grade. With a length of 150 cm, this batten offers a luminous flux of 6600 lumens, with a CCT 3-in-1 system that allows the selection of color temperature between 3000K, 4000K, and 6500K.

Made from gray ABS and polycarbonate with an opal diffuser, the **waterproof LED batten** is robust and durable, designed to withstand adverse conditions and offer a lifespan of up to 50,000 hours. With a power factor greater than 0.9, it ensures efficient and low-consumption lighting. The 120° beam angle provides uniform and glare-free illumination.

Technical Specifications of the Waterproof LED Batten Linear 56W

- **Power:** 56W
- **Length:** 150cm
- **Material:** Gray ABS and polycarbonate with opal diffuser
- **Luminous Flux:** 6600 lumens
- **Color Temperature (CCT 3-in-1):** 3000K / 4000K / 6500K
- **Beam Angle:** 120°

- **Protection Rating:** IP65
- **Resistance Grade:** IK08
- **Lifespan:** 50,000 hours
- **Power Factor:** > 0.9
- **Dimensions:** 1500x92x60mm
- **Installation:** Includes metal accessories for wall or ceiling mounting

#### Uses and Applications of the Waterproof LED Batten

The **waterproof LED batten** is ideal for a wide range of indoor and outdoor applications. It is perfect for installation in garages, warehouses, workshops, parking areas, and any other space that requires lighting resistant to moisture and dust. Its robust design and high efficiency make it an excellent choice for improving lighting and safety in industrial and commercial areas.
