The **AFRA SOLLUX wood and concrete pendant** combines natural and contemporary elements to create a unique design. The blend of wood and concrete gives it a modern, industrial look, perfect for raw, Scandinavian or minimalist interiors. Made of high-quality grey concrete, it offers strength and durability, while the solid-wood support adds warmth and elegance.

The pendant is compatible with an **E27** LED bulb (not included), letting you choose from a wide range of efficient, durable lighting options. It includes a height-adjustable cable up to **115 cm**, to adapt it to the ceiling height and your preferences. Ideal above a table, a kitchen island, in a living room or an entrance.
