

15W LED Outdoor Spotlight with Garden Spike

Product codes:

Reference: 74152

Product features:

Power (W): 15
Power source (V): 220-240V
Color temperature CCT: 2700K
LED: SMD2835
Brightness (Lm): 1050
CRI: +80
Colour: Black
IP: IP65
IK: IK08
Luminous angle: 30°
Frequency (Hz): 50-60Hz
Measures (mm): Ø82x165mm
Material: Aluminum
Operating temperature: -20°C ~ +55°C
Energy efficiency 2023: G
Lifespan: 40.000h
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Warm white 2700K

Product description:

15W LED Outdoor Spotlight with Garden Spike - Efficient and Versatile Lighting Bright and Efficient Lighting for Your Garden

The **15W LED outdoor spotlight with garden spike** is a versatile and efficient solution to light up your garden, landscape, or outdoor areas. Designed with the latest LED technology, this spotlight provides bright and high-quality illumination while reducing energy consumption. With its practical spike, it is easy to install on any ground surface, allowing you to adjust the position and direction of the light according to your needs.

Energy Saving and High Performance

The 15W LED garden spotlight with spike offers an ideal replacement for traditional higher-power spotlights, saving up to 80% of electrical consumption in comparison. With a luminous flux of 1050 lumens, this spotlight provides bright and uniform lighting, creating a pleasant and safe environment in your garden. Made of high-quality aluminum, this LED spotlight is designed to withstand adverse weather conditions. With an IP65 rating, it is water and dust resistant.

Simple and Uncomplicated Installation

Easy installation: the integrated spike allows you to install the LED spotlight quickly and easily in any area of the garden, without the need for additional tools. It includes an electrical connection cable of about 20cm, to connect to the existing 230V installation. With the 15W LED integrated, there is no need to purchase additional bulbs.

Technical Specifications of the LED Garden Spotlight

- **Power:** 15W
- **Luminous flux:** 1050 lumens
- **Color temperature:** Warm white 2700K
- **Light angle:** 30°
- **Operating voltage:** 220-240Vac
- **Dimensions:** Ø82x165mm
- **Protection class:** IP65
- **Lifespan:** 40,000h
- **Material:** Black lacquered aluminum
- **Warranty:** 3 years

Applications of the Garden Spotlight

- Garden and landscape lighting.
- Highlighting architectural elements.
- Lighting paths and trails.
- Lighting outdoor areas such as patios, terraces, and entrances.

Important Note

Make sure to read the instruction manual before installation and follow the appropriate safety precautions. Always consult a qualified electrician if you have any doubts or need assistance with the installation.
