#### **Product attributes:**

## **Product description:**

The **Column Adapter Support for Street Lights** is the perfect solution for installing street lights on columns with a diameter of 60mm and street lights with a mouth diameter of 70mm or larger. Made of high-quality steel, lacquered in black, this adapter ensures a safe and durable installation.

The support includes a Ø26mm cable entry hole at the top to facilitate the electrical connection of the street lights.
