

32W PREMIUM LED downlight panel Ø225mm 3000Lm

Product codes:

Reference: PL-DLRG32W

Product features:

Power (W): 32
Power source (V): 100-240V
Color temperature CCT: 2700K
Brightness (Lm): 3000
CRI: +80
Colour: White
Luminous angle: 120°
Frequency (Hz): 50-60Hz
Power factor: 0.90
Forma: Redondo
Measures (mm): Ø225x30mm
Medida de corte (mm.): Ø205mm
Material: Steel + PC
Operating temperature: -20°C ~ +55°C
Energy efficiency 2021: A+
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Warm white 2700K

Product description:

Recessed LED Downlight 32W Ø225mm

LED Downlight is a slim ultra-thin design, with a visible thickness of less than 5mm, and a power consumption of **32W**, equivalent to recessed lamps, halogen spotlights, and CFL bulbs, reducing energy consumption by up to 80%. Constructed with high-brightness **SMD2835 LEDs**, aluminum reflective housing, and opal polycarbonate diffuser, the **recessed LED downlight** has excellent luminous performance and emits a luminous flux of **3000 lumens** uniformly, intensely, and without shadows or dark spots. Additionally, with its **120°** beam angle, you will get intense illumination while reducing the number of light points.

- Outer diameter: Ø225mm
- Cutout diameter: Ø205mm

The **LED downlight** has an **IP20** rating, making it suitable for indoor use only.

External Driver Included

The **recessed LED downlight** includes a **high-quality internal driver** for maximizing the LED panel's lifespan. The

driver incorporates the latest insulation and protection technology, complying with all **CE and RoHS** standards. Additionally, it supports a wide input voltage range of **100-240V**. The included driver is not dimmable.

Uses and Applications of the 32W Recessed LED Downlight

You can install the **32W recessed LED downlight** in circular openings in the ceiling with a diameter of Ø205mm. Therefore, you can use it to replace CFL downlights and spotlights. Use it in:

- Kitchens
- Bedrooms
- Living rooms and dining rooms
- Hotels, bars, and restaurants
- Retail stores and shopping centers
