

100W-150W-200W Selectable Power UFO PRO LED High Bay OSRAM Chip 26000Lm IP65

Product codes:

Reference: NEWENDUR-HB200W

Product features:

Power (W): 200
Power source (V): 100-240V
Color temperature CCT: 5700K
LED: SMD2835
LED chip brand: OSRAM
Luminous efficacy (Lm/W): 130
LED diode efficiency (Lm/W): 140
Brightness (Lm): 26000
CRI: +80
IP: IP65
IK: IK08
Luminous angle: 120°
Frequency (Hz): 50-60Hz
Power factor: 0.95
Measures (mm): Ø320x88mm
Material: Aluminum + glass
Driver: DOB
Operating temperature: -20°C ~ +55°C
Energy efficiency 2021: A+
Energy efficiency 2023: E
Lifespan: 50.000h
Certification: CE - RoHS
Warranty: 5 años

Product attributes:

Color temperature CCT (°K): Cool white 5700K

Product description:

Industrial LED UFO Slim Pro High Bay with Selectable Power - 100W, 150W, 200W - OSRAM Chip 26000lm IP65
Powerful and durable LED lighting, ideal for industrial environments.

The **UFO Slim Pro industrial LED high bay** is a high-quality lighting solution designed for industrial and professional environments. Equipped with an **OSRAM SMD2835 LED chip providing 130Lm/W** and with selectable power between **100W, 150W, and 200W**, this high bay offers a **luminous flux of up to 26000 lumens**, delivering powerful and uniform lighting in warehouses, factories, and other industrial areas.

The power selection is easily adjusted via a selector located at the back of the fixture, protected with a sealed gasket that ensures the durability and resistance of the equipment in demanding environments.

Technical Data

- Power: Selectable between 100W, 150W, and 200W
- Luminous Flux: Up to 26000 lm (130Lm/W)

- Voltage: 230V
- Surge protector: 2kV
- Beam angle: 120°
- High power factor > 0.9
- Dimensions: Ø320x88mm
- LED Chip: OSRAM SMD2835
- IP Rating: IP65
- Construction material: Aluminum + glass
- 5-year warranty

Product Advantages

- Adjustable power between 100W, 150W, and 200W to suit different needs.
- High luminous efficiency with high-performance OSRAM chip.
- Dust and water-resistant with IP65 rating.
- Thin and compact design for easy installation in high ceilings.
- Ideal for lighting in warehouses, factories, and other industrial areas.

Uses and Applications

The **UFO Slim Pro industrial LED high bay** is perfect for a wide range of industrial and professional applications, including:

- Lighting in warehouses and factories.
- Lighting in commercial spaces and large areas.
- Use in areas where powerful and uniform lighting is required.
