Warranty: 3 años

Product attributes:

Colour: White

Product description:

Surface Aluminum Profile White 17x8mm with Opal Diffuser - 2 Meter Kit

Elegant and Functional Solution for LED Strip Installation

The 17x8mm surface aluminum profileee is an ideal choice for clean, safe, and professional LED strip installations. With a minimalist lacquered white finish, it integrates seamlessly into modern interiors, ceilings, furniture, or shelves—enhancing both aesthetics and thermal dissipation of the LED strip.

This profileee features a 12mm internal usable width , compatible with most LED strips available in our online store. The complete 2-meter kit includes all necessary accessories for easy installation.

Technical specifications Installation typeSurfaceMaterialaluminum + opal PCColorLacquered whiteProfile dimensions17x8mmLength2 metersInternal usable width12mmDiffuserWhite opal (PC)ProtectionIP20 (indoor use) Recommended applications ?Decorative lighting: perfect for highlighting shelves, cabinets, corridors, or shop

windows.?Functional lighting: ideal under kitchen cabinets or work desks.?DIY projects: professional-grade solution for homeowners and interior designers.?Commercial settings: enhances product presentation and creates a modern atmosphere. Installation guide 1Surface mounting: easily fixed to ceilings, walls, furniture, or display cabinets using the included clips.2Indoor installation: not waterproof, recommended for dry and covered areas only (IP20).3Thermal management: enhances heat dissipation from the LED strip, extending its lifespan.4Opal diffuser: softens the light and eliminates visible LED dots, producing uniform illumination. Kit Contents

- 1 x 2-meter lacquered white aluminum profileee (17x8mm)
- 1 x 2-meter white opal diffuser (smooth and uniform finish)
- 2 x Metal mounting clips
- 2 x White end caps with hole

Compatibility
