Product codes:

Reference: IL-8137-G

Product features:

Colour: Plata

IP: IP20

Measures (mm): 24x15x2000mm

Material: Aluminum + PC

Certification: CE - RoHS

Warranty: 3 años

Product attributes:

Colour: Grey

Product description:

Recessed Aluminum Profile 24x15mm Silver Grey – 2 Meter Kit with Opal Diffuser Clean and Discreet Solution for Recessed LED Strip Installations

The **24x15mm recessed aluminum profile** is designed for flush LED strip installations, providing a professional and minimalist finish. Its silver grey color and compact design integrate seamlessly into ceilings, furniture, or shelves, enhancing both the appearance and heat dissipation of the LED strip.

It requires a **17mm wide cut-out** and is **compatible with IP20 LED strips up to 12mm wide**. The **2-meter complete kit** includes all necessary accessories for a simple and efficient installation.

Kit Contents

- 1 x 2-meter silver grey profile (24x15mm)
- 1 x 2-meter white opal diffuser (soft and uniform finish)
- 2 x Metal mounting clips
- 2 x Grey end caps with hole

Installation Recommendations

- **Recessed installation:** requires a 17mm wide groove for flush mounting.
- **Indoor use only:** the profile is not waterproof (IP20), suitable for dry, covered areas.
- **Thermal management:** helps extend the lifespan of the LED strip.
- **Opal diffuser:** softens the light and eliminates visible LED hotspots.

Recommended Uses and Applications

- **Architectural lighting:** ceilings, niches, stairs, or walls.
- **Decorative lighting:** ideal for furniture, showcases, bookshelves, or displays.
- **Professional projects:** suitable for interior designers, electricians, and installers.
- **Commercial spaces:** enhances product displays in shops, offices, hotels, and restaurants.

Compatibility

This profile is **compatible with all LED strips up to 12mm wide**. Choose from our wide range of LED strips by color temperature, power, or chip type.
