14W 90cm Undercabinet T5 LED batten

Product codes:

Reference: PLR14W-MC

Product features:

Power (W): 14
Power source (V): 100-240V
Color temperature CCT: 2700K
Color temperature CCT: 4000K
LED: SMD2835
LED chip brand: SAN'AN
Brightness (Lm): 1340
Color rendering index (Ra):: ?80
Colour: White
IP: IP20
Luminous angle: 120º
Frequency (Hz): 50-60Hz
Power factor ?: 0.90
Measures (mm): 880x22x34mm
Material: Aluminum + PC
Operating temperature: -20ºC ~ +40ºC
Energy efficiency 2021: A+
Energy efficiency 2023: F
Lifespan: 25.000h
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (ºK): Warm white 2700K, Natural white 4000K

Product description:

LED T5 Batten 14W 90cm 1340Lm Without Switch

Compact and Modular LED Lighting for Cabinets and Shelves

Advantages

- ? Continuous and Shadow-Free Lighting: Interconnection of up to 10 battens without dark spotlights for continuous and uniform lighting.
- ? Flexible Installation: Perfect for adapting lighting to any length and furniture configuration.
- ? Energy Saving: With only 14W of consumption, it provides efficient, low-consumption lighting.
- ? Compact Design: Reduced size for discreet integration under cabinets and on shelves.
- ? Durability and Resistance: High-quality materials with a lifespan of 25,000 hours, ideal for long-term use.

Installation guide

The LED T5 batten is designed for quick and easy installation . With direct connection to 230V , it does not require additional transformers or drivers, simplifying the assembly process. This model does not include a switch , so it must be turned on and off via an external switch or a mechanism on the power line.

Modular Connection for Maximum Flexibility

Thanks to its modular and connectable design, it is possible to interconnect up to 10 T5 battens with a single power source, allowing large surfaces to be illuminated continuously without light interruptions. Additionally, the 90cm T5 LED batten can be combined with battens of different lengths to adapt to any space, offering completeee flexibility during installation.

Package Contents

- 1 x T5 LED Batten 14W - 90cm
- Mounting kit
- Interconnection connector
- Instruction manual
