

6W GU10 60° OSRAM Chip LED Bulb 600Lm

Product codes:

Reference: GU10-L-6W-OSR

Product features:

Power (W): 6

Power source (V): 85-265V

LED: SMD2835

LED chip brand: OSRAM Lampholder: GU10

Luminous efficacy (Lm/W): 100

Brightness (Lm): 600

CRI: +80 IP: IP20

Luminous angle: 60° Frequency (Hz): 50-60Hz Measures (mm): Ø50x60mm Material: Aluminum + PC

Operating temperature: -10°C ~ +45°C

Energy efficiency 2021: A+

Lifespan: 50.000h Certification: CE - RoHS Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Cool white 6000K, Natural white 4000K, Warm white 2700K

Product description:

GU10 6W 60° OSRAM Chip 600Lm LED Bulb Discover the efficiency and energy savings with our 6W GU10 LED spotlight bulb, equipped with an OSRAM SMD2835 chip, offering 600 lumens and a 60° beam angle. Ideal for recessed downlights, available in warm white, neutral white, and cool white. Direct connection to 230V.

Illuminate your spaces with the **6W GU10 LED spotlight bulb**, designed to provide efficient and high-quality lighting. This bulb uses the **OSRAM SMD2835** chip, known for its 100Lm/W performance, generating a luminous flux of 600 lumens. With a wide 60° beam angle, it ensures broad and uniform light distribution.

Made of **Aluminum + PC**, this bulb is robust and durable, with compact dimensions of Ø50x60mm, making it perfect for a variety of applications, including **recessed downlights**. Additionally, it offers a **CRI>82**, ensuring vivid and natural colors.

Available in three color temperatures: warm white (2700K), neutral white (4000K), and cool white (6000K), this bulb adapts to any environment. Its IP20 protection rating makes it ideal for indoor use. Enjoy up to 80% energy savings compared to traditional halogen bulbs and a 3-year warranty. It connects directly to 230V mains, without the need for additional transformers.

Power: 6WBase: GU10

• Luminous Flux: 600 lumens

LED Chip Type: OSRAM SMD2835

• Efficiency: 100Lm/W
• Beam Angle: 60°

Material: Aluminum + PC
 Dimensions: Ø50x60mm

• CRI: >82

• Protection Rating: IP20

• Color Temperatures: 2700K (warm white), 4000K (neutral white), 6000K (cool white)

Warranty: 3 yearsEnergy Savings: 80%Connection: Direct to 230V

Installation Recommendations

Installing the **GU10 LED bulb** is simple and quick. Just replace your traditional halogen bulb with this LED bulb in any lamp with a GU10 base. Be sure to turn off the electricity before installation to avoid any electrical risks. This bulb is ideal for **recessed downlights**, ensuring optimal and uniform lighting. Connect it directly to 230V mains without the need for additional transformers.

Common Uses and Applications

- Homes: Lighting in living rooms, bedrooms, kitchens, and bathrooms.
- Offices: Perfect for work areas, meeting rooms, and receptions.
- **Shops:** Ideal for stores, shop windows, and display areas.
- Restaurants and bars: Provides a cozy and attractive atmosphere.
- Hotels: Lighting in rooms, lobbies, and common areas.
