

ASTRIT E27 Outdoor Wall Lamp

Product codes:

Reference: OS-ASTRITE27

Product features:

IP: IP54

Measures (mm): 315x100x90mm

Material: Steel + PC

Certification: CE - RoHS

Warranty: 5 años

Product attributes:

Colour: Grey, Black

Product description:

ASTRIT E27 Exterior Wall Light IP54 The **ASTRIT E27 exterior wall light IP54** is an efficient and modern lighting solution, ideal for those seeking professional and high-quality outdoor lighting. Made of steel and PC, it features a modern and elegant design that adapts to any environment.

This **wall light** is equipped with a socket for a maximum 40W LED E27 bulb, allowing for easy replacement of LED bulbs and customization of lighting in terms of power and color temperature. Note that the LED bulb is not included.

The **ASTRIT wall light** has an IP54 protection rating, making it particularly suitable for outdoor installations. Its design allows illumination to the front, as well as to the top and bottom, creating cozy and elegant lighting effects. The opal diffuser ensures a homogeneous light effect without glare.
