

12W E27 Premium LED Bulb 1152Lm

Product codes:

Reference: BS27-12W

Product features:

Power (W): 12
Power source (V): 100-240V
Color temperature CCT: 2700K
Color temperature CCT: 4000K
Color temperature CCT: 6500K
LED: SMD2835
Lampholder: E27
Luminous efficacy (Lm/W): 100
Brightness (Lm): 1152
CRI: +80
Colour: White
IP: IP20
Luminous angle: 200°
Frequency (Hz): 50-60Hz
Measures (mm): Ø65x115mm.
Material: Aluminum + PC
Operating temperature: -20°C ~ +40°C
Energy efficiency 2021: A+
Lifespan: 20.000h
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Natural white 4000K, Warm white 2700K, Cool white 6500K

Product description:

12W LED Premium Bulb E27 1152Lm Illuminate your space with the LED Premium E27 Bulb 12W. This bulb combines energy efficiency and high luminous performance to provide exceptional lighting in your home or office. With a standard E27 base, it's easy to install in any compatible lamp.

Made of aluminum + opal PC, this bulb emits a uniform and soft light with a 200° angle, perfect for illuminating large areas evenly. With a brightness of 1152 lumens, it provides a bright and crisp white light, ideal for spaces requiring clear and vivid illumination.

Equipped with a high-performance SMD2835 LED chip, this bulb achieves a luminous efficiency of 100 lumens per watt, ensuring reduced energy consumption and a long lifespan.

Technical Data:

- Power: 12W
- Lumens: 1152 lm
- Light Angle: 200°
- Material: Aluminum + Opal PC

- Voltage: 220-240V
- Color Temperature: Warm White 2700K, Neutral White 4000K, cool white 6500K
- Dimensions: Ø65x115mm
- Base: E27

Installation and Mounting Recommendations:

Installing the **LED Premium E27 Bulb** is simple. Just screw it into a lamp with an E27 base and make sure it's securely tightened. Be sure to turn off the electricity before installing.

Recommended Uses and Applications:

- General lighting in homes, including living rooms, bedrooms, and kitchens.
- Lighting in offices and commercial spaces to create bright and productive environments.
- Lighting in workspaces where bright and clear light is needed.
- Lighting in transit areas such as corridors and stairs.
