Material: Thermoplastic

Certification: CE - RoHS

Warranty: 5 años

Product attributes:

Colour: Cromo

Product description:

Fixed Circular Bezel ring Chrome/White for LED GU10/MR16 Bulb with Low Glare UGR19

The **recessed bezel** for **LED dichroic bulbs**, both **MR16** and **GU10**, is designed to offer attractive and refined décor. Its elegant shape allows for the creation of exclusive and sophisticated environments in any space.

Made from high-resistance and durable **thermoplastic**, this recessed bezel stands out for its robustness, ensuring a long lifespan and keeping its finish in perfect condition for a long time.

Thanks to its low glare index **UGR19**, this bezel provides high visual comfort, making it an excellent option for spaces where functional lighting is needed without causing eye strain.

Technical Specifications

- **Ceiling cut-out dimensions:** Ø72mm
- **Outer dimensions:** Ø85mm

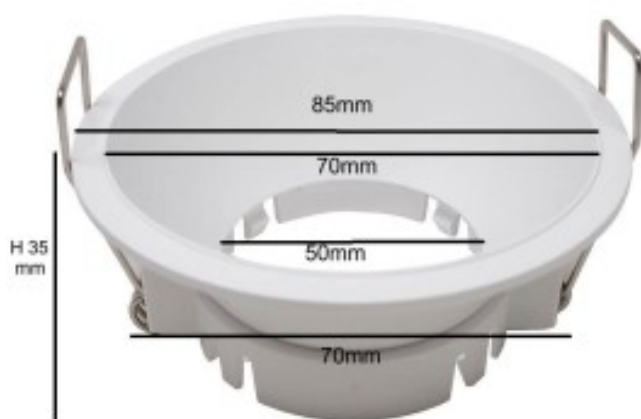

- **Depth:** 35mm

Main Features

- Compatible with **GU10** and **MR16** LED bulbs
- Modern and minimalist design, ideal for any décor
- Made from high-quality **thermoplastic**, ensuring durability and resistance
- Low glare with a UGR19 index for greater visual comfort

This fixed circular bezel is the perfect solution for those seeking an elegant design and efficient lighting with LED bulbs.
