Protection

The **4W wall LED lantern** is a classic, rustic lighting solution, ideal for outdoors thanks to its IP65 rating. Made of brass with an elegant aged-bronze finish, it adds a decorative, functional touch to any environment.

It features a **flame-effect** LED bulb that provides warm 1800K white light and a flux of 300 lumens. The bulb simulates the movement of light, creating a welcoming, traditional candle effect, while the opal glass prevents glare and completes the effect. With a classic rustic design, it is perfect for terraces, balconies, patios and gardens. Dimensions 400x400x190 mm.
