

# 150cm 22W T8 PC LED Tube 2180Lm 1-Side Connection

## Product codes:

Reference: TLPLUS22W

## Product features:

Power (W): 22  
Power source (V): 100-240V  
Color temperature CCT: 4000K  
LED: SMD2835  
Lampholder: G13  
Brightness (Lm): 2180  
CRI: +80  
IP: IP20  
Luminous angle: 270°  
Measures (mm): Ø28x1500mm  
Material: Aluminum + PC  
Operating temperature: -20°C ~ +40°C  
Energy efficiency 2021: A+  
Certification: CE - RoHS  
Warranty: 3 años

## Product attributes:

Color temperature CCT (°K): Natural white 4000K

## Product description:

T8 LED Tube 150cm 22W Aluminum + Opal PC - 1-End Connection Quick and Safe Replacement with High Efficiency

The **150cm T8 LED Tube with 22W power** is designed to offer a quick, simple, and safe replacement solution for luminaires with fluorescent tubes. Made from **aluminum and opal PC**, it provides a **luminous flux of 2180 lumens** with a **270° beam angle**, ensuring uniform light distribution in any space.

Installation with Magnetic Ballast

The **T8 LED Tube** is compatible with existing installations that use magnetic ballasts, making installation easy without the need for electrical modifications. Unlike other tubes, it maintains its **long lifespan** without being affected by the ballast, making it an ideal option for quickly replacing conventional fluorescent tubes.

1-End Connection for Increased Safety

This **T8 LED tube** model offers a **1-end connection**, enhancing safety during installation and use, reducing the risk of incorrect connections. You only need to connect the phase and neutral on one side, simplifying the installation process.

## Technical Specifications

- **Power:** 22W
- **Luminous Flux:** 2180 lumens
- **Beam Angle:** 270°
- **Connection:** 1-end
- **Material:** Aluminum + Opal PC
- **Length:** 150cm
- **Diameter:** Ø26mm
- **Compatibility:** Magnetic ballast

## Advantages of the 150cm 22W T8 LED Tube

- Easy installation with 1-end connection for enhanced safety.
- Compatible with magnetic ballasts, maintaining its long lifespan.
- Uniform light distribution with a 270° beam angle.
- Made from high-quality materials: Aluminum and Opal PC.

## Applications of the 150cm 22W T8 LED Tube

The **150cm T8 LED Tube** is ideal for a wide variety of commercial and industrial applications, such as:

- Warehouses
- Offices
- Workshops
- Garages
- Supermarkets
- Common areas in residential buildings
