

3W Silver COB LED Adjustable recessed Spot Downlight 330Lm

Product codes:

Reference: DCORP3W

Product features:

Power (W): 3
Power source (V): 100-240V
Color temperature CCT: 3000K
Color temperature CCT: 4000K
Color temperature CCT: 6500K
LED: COB
Luminous efficacy (Lm/W): 110
Brightness (Lm): 330
Colour: Plata
IP: IP20
Luminous angle: 120°
Frequency (Hz): 50-60Hz
Measures (mm): Ø85x40mm
Medida de corte (mm.): Ø75mm
Material: Aluminum + PC
Operating temperature: -20°C ~ +40°C
Energy efficiency 2021: A+
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Warm white 3000K, Natural white 4000K, Cool white 6000K

Product description:

3W Silver Recessed LED Adjustable Downlight The **3W circular recessed adjustable LED downlight** is an excellent option for those looking for efficient and high-quality lighting. Made from silver-colored aluminum, this downlight offers 3W of power and a luminous flux of 330 lumens, ideal for clear and uniform lighting in indoor spaces.

Equipped with a **high-performance COB LED chip**, this downlight guarantees efficient and long-lasting lighting. Its circular and adjustable design allows you to adjust the light angle according to the space's needs, providing versatile and functional lighting.

With dimensions of Ø85x40mm and a ceiling cutout of Ø75mm, the **recessed LED downlight** is easy to install and perfectly adapts to different types of ceilings. Its IP20 rating makes it suitable for indoor use, offering optimal lighting with a **120° light angle**, ideal for covering large areas with soft and homogeneous light.

Features of the Recessed LED Downlight

- **Material:** Silver-colored aluminum
- **Power:** 3W
- **Luminous Flux:** 330 lumens

- **LED Chip:** High-performance COB
- **Dimensions:** Ø85x40mm
- **Ceiling Cutout Dimensions:** Ø75mm
- **IP Rating:** IP20
- **Light Angle:** 120°

Uses and Applications of the Recessed LED Downlight

- **Living Rooms:** Provides pleasant and uniform lighting, ideal for creating a cozy atmosphere.
- **Offices:** Perfect for illuminating workspaces, offering clear, glare-free light.
- **Hallways:** Lights up hallways and corridors, enhancing visibility and safety at home or in the office.
- **Kitchens:** Ideal for illuminating work areas and dining rooms, offering efficient and quality light.
- **Shops:** Enhances the presentation of products in showcases and shelves, highlighting their features.
