

10W 60cm LED Linear Batten IP20 960Lm

Product codes:

Reference: PL-D-10W-60

Product features:

Power (W): 10
Power source (V): 100-240V
Color temperature CCT: 4000K
LED: SMD2835
Brightness (Lm): 960
CRI: +85
Colour: Plata
IP: IP20
IK: IK08
Frequency (Hz): 50-60Hz
Measures (mm): 600x80x36mm
Material: Aluminum + PC
Operating temperature: -20°C ~ +40°C
Energy efficiency 2021: A+
Lifespan: 35.000h
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Color temperature CCT (°K): Natural white 4000K

Product description:

LED Linear Batten 10W 60cm - Neutral White 4000K Efficient and Elegant Linear Lighting for Indoor Use

The **10W LED Linear Batten** is the ideal solution for efficient and discreet indoor lighting. With a length of **60cm** and a design in aluminum and polycarbonate with a silver finish, this batten provides a modern and elegant touch to any space. Thanks to its **SMD2835 high-brightness LED chip**, it delivers a uniform, clear light of **960 lumens**, with a neutral white color temperature of **4000K**, ideal for any environment.

Technical Specifications

- **Power:** 10W
- **Luminous Flux:** 960 lumens
- **Light Color:** Neutral White 4000K
- **LED Chip:** High-brightness SMD2835
- **IP Rating:** IP20, for indoor use
- **Beam Angle:** 180°, uniform coverage
- **Color Rendering Index (CRI):** >85
- **Impact Protection:** IK08, impact-resistant

- **Dimensions:** 600x80x36mm
- **Input Voltage:** 100-240V

Installation and Hidden Connectivity

The **LED Batten** offers an **easy and quick installation**, with the connection cable located at the back, discreetly connected via the integrated batten, ensuring a clean finish with no visible cables. This allows for seamless integration into any space without compromising aesthetics.

Product Advantages

- **High Energy Efficiency:** 10W consumption with high light output, ideal for reducing energy costs.
- **Elegant Finish:** Aluminum and polycarbonate with a silver finish, adaptable to any style.
- **Uniform Light Distribution:** 180° angle for homogeneous illumination.
- **Durability and Resistance:** IK08 impact protection, ensuring a long life span.

Recommended Applications

Perfect for a wide range of indoor lighting applications, such as:

- **Kitchens:** Ideal for illuminating workspaces or under cabinets.
- **Offices and Desks:** Provides clear, neutral lighting for work areas.
- **Hallways and Corridors:** Ensures uniform and safe illumination.
- **Stores and Display Cases:** Effectively highlights products and merchandise.

With its **high-quality construction** and elegant design, the **10W LED Linear Batten** is the perfect solution for those seeking efficient and discreet indoor lighting.
