

## 45W 150cm IP20 LED Batten 4320 Lumens

### Product codes:

Reference: PL-P45W

### Product features:

Power (W): 45  
Power source (V): 100-240V  
Color temperature CCT: 2700K  
Color temperature CCT: 4000K  
Color temperature CCT: 6500K  
LED: SMD2835  
Brightness (Lm): 4320  
CRI: +80  
Colour: Plata  
IP: IP20  
IK: IK08  
Luminous angle: 180°  
Frequency (Hz): 50-60Hz  
Measures (mm): 1510x75x25mm  
Operating temperature: -20°C ~ +40°C  
Energy efficiency 2021: A+  
Energy efficiency 2023: F  
Lifespan: 35.000h  
Certification: CE - RoHS  
Warranty: 3 años

### Product attributes:

Color temperature CCT (°K): Natural white 4000K, Cool white 6500K, Warm white 2700K

### Product description:

45W LED Batten - Length 150cm - 4320 Lumens Efficient and Durable Lighting for Surface Mounting

The **45W LED Batten** is a high-efficiency light fixture designed to provide powerful, uniform lighting, offering **4320 lumens** over a length of **150cm**. With its construction in **aluminum and polycarbonate (PC)**, this LED batten is robust and durable, ideal for indoor wall or ceiling installations.

#### Technical Specifications

- **Power:** 45W
- **Luminous Flux:** 4320 lumens
- **Dimensions:** 1510x75x25mm
- **Beam Angle:** 180° for even illumination
- **Input Voltage:** 100-240V
- **Power Factor:** >0.90
- **Material:** Aluminum + PC
- **Protection Rating:** IP20, suitable for indoor use
- **Impact Protection:** IK08

### Easy Installation and Included Accessories

This LED batten comes with all the **necessary accessories for surface installation**, allowing for easy mounting on **wall or ceiling**. Its modern and discreet design fits perfectly in any setting, from offices and shops to residential areas.

### Product Advantages

- **High Efficiency:** With 4320 lumens and a power factor >0.90, it ensures powerful and cost-effective lighting.
- **Durable Design:** Made of aluminum and polycarbonate with IK08 impact protection, making it impact-resistant.
- **Versatile Installation:** Suitable for wall and ceiling mounting, adaptable to different lighting needs and applications.

### Recommended Applications

The **45W LED Batten** is ideal for a range of indoor uses requiring continuous and uniform lighting:

- **Offices:** Efficient, shadow-free lighting to enhance the work environment.
- **Shops and stores:** Provides clear light to highlight products and display areas.
- **Kitchens and dining areas:** Illuminates spaces uniformly and efficiently.
- **Hallways and transit areas:** Ensures adequate and durable lighting in frequently traveled areas.

With its **functional design and enhanced durability**, this LED batten is a reliable option for those seeking quality and long-lasting lighting.
