

## T8 LED Tube 60cm 10W 957Lm 2-sides connection

#### **Product codes:**

Reference: TLE10W

#### **Product features:**

Power (W): 10

Power source (V): 85-265V Color temperature CCT: 4000K

LED: SMD2835 Lampholder: G13 Brightness (Lm): 957

CRI: +80

Luminous angle: 180 Power factor: 0.90 Measures (mm): 600mm Material: Aluminum + PC

Operating temperature: -20°C ~ +40°C

Energy efficiency 2021: A+ Certification: CE - RoHS Warranty: 3 años

### **Product attributes:**

Color temperature CCT (°K): Natural white 4000K

# **Product description:**

T8 LED Tube 60cm 10W Aluminum and Polycarbonate High Efficiency and Durability in LED Lighting

The **T8 LED Tube** with 60 cm length and 10W power is made of **aluminum and polycarbonate**, ensuring its durability and excellent heat dissipation. It provides a luminous flux of **957 lumens**, making it ideal for efficiently illuminating various types of spaces.

2-End Connection

This **T8 LED Tube** is designed for easy installation with a **2-end connection**, where the phase is connected to one end and the neutral to the other, regardless of the pin. This makes it compatible with a wide range of installations.

Compatibility with Ferromagnetic Ballasts

The tube is compatible with **ferromagnetic ballasts** without affecting its lifespan, making it easier to integrate into existing lighting systems without complex modifications.

**Technical Specifications** 

Power: 10WLength: 60 cm

• Luminous Flux: 957 lumens

• Material: Aluminum and Polycarbonate

Connection: 2-end (phase and neutral on opposite ends)
Compatibility: Compatible with ferromagnetic ballasts

### Advantages of the T8 LED Tube

- High energy efficiency with 957 lumens.
- Easy installation with 2-end connection.
- Made of aluminum and polycarbonate for greater durability.
- Compatible with existing lighting systems with ferromagnetic ballasts.

### Applications of the 10W T8 LED Tube

The **60cm T8 LED Tube** is ideal for a wide range of applications, such as:

- · Office lighting
- Warehouse lighting
- · Workshop and garage lighting
- · Commercial and residential installations
