

# 10W 118mm R7S Linear LED Bulb 1000Lm

### **Product codes:**

Reference: LM712

### **Product features:**

Power (W): 10

Power source (V): 175-260V Color temperature CCT: 3000K Color temperature CCT: 4000K Color temperature CCT: 6000K

LED: SMD2835 Dimmable: Sí, TRIAC Lampholder: R7S

Luminous efficacy (Lm/W): 100

Brightness (Lm): 1000

CRI: +80 IP: IP20

Luminous angle: 360° Frequency (Hz): 50-60Hz Measures (mm): Ø20x118mm Material: Thermoplastic

Operating temperature: -20°C ~ +40°C

Energy efficiency 2021: A+

Lifespan: 20.000h Certification: CE - RoHS

Warranty: 3 años

### **Product attributes:**

Color temperature CCT (°K): Warm white 3000K, Natural white 4000K, Cool white 6000K

# **Product description:**

Linear LED Bulb R7S 10W 118mm Linear LED Bulb type R7S with 10W power and 118mm length, 1000 lumens

The Linear LED Bulb R7S with 10W power is an excellent choice for efficient and low-consumption lighting. With a length of 118mm, it is made of thermoplastic with a transparent diffuser that emits light at 360°, providing uniform and bright lighting. With a luminous flux of 1000 lumens, it is ideal for various applications.

Suitable for direct connection to 170-265V, no external driver needed. IP20 rating, suitable for indoor installation or in waterproof lamps.

Replaces halogen bulbs, reducing their electrical consumption by over 80%, capable of replacing conventional R7S 100W bulbs.

### Technical Data:

Power: 10W

• Luminous Flux: 1000 lumens

• Type of LED: R7S

• Dimensions: 118mm length

• Material: Thermoplastic with transparent diffuser

• Light Angle: 360°

• Connection: Direct to 170-265V

• IP Rating: IP20

Installation and Mounting Recommendations:

Installing the Linear LED Bulb R7S is quick and easy. Simply insert it into the R7S socket and ensure it is securely fixed. Verify that the electrical connection is within the permitted range of 170-265V.

Recommended Uses and Applications:

- Replacing halogen bulbs indoors
- Lighting in waterproof lamps
- Applications in homes, offices, and shops
- Ideal for areas requiring bright and uniform lighting
