

## T8 LED Tube 120cm 20W 1913Lm 2-sides connection

### Product codes:

Reference: TLE20W

### Product features:

Power (W): 20  
Power source (V): 100-240V  
Color temperature CCT: 4000K  
LED: SMD2835  
Luminous angle: 180  
Measures (mm): Ø32x1200mm  
Material: Aluminum + PC  
Operating temperature: -20°C ~ +40°C  
Energy efficiency 2021: A+  
Lifespan: 25.000h  
Certification: CE - RoHS  
Warranty: 3 años

### Product attributes:

Color temperature CCT (°K): Natural white 4000K

### Product description:

T8 LED Tube 120cm 20W Aluminum and Polycarbonate High Efficiency and Durability in LED Lighting

The **T8 LED Tube** with 120 cm length and 20W power is made of **aluminum and polycarbonate**, ensuring its durability and excellent heat dissipation. It provides a luminous flux of **1913 lumens**, making it ideal for efficiently illuminating various types of spaces.

#### 2-End Connection

This **T8 LED Tube** is designed for easy installation with a **2-end connection**, where the phase is connected to one end and the neutral to the other, regardless of the pin. This makes it compatible with a wide range of installations.

#### Compatibility with Ferromagnetic Ballasts

The tube is compatible with **ferromagnetic ballasts** without affecting its lifespan, making it easier to integrate into existing lighting systems without complex modifications.

#### Technical Specifications

- **Power:** 20W
- **Length:** 120 cm
- **Luminous Flux:** 1913 lumens
- **Material:** Aluminum and Polycarbonate
- **Connection:** 2-end (phase and neutral on opposite ends)
- **Compatibility:** Compatible with ferromagnetic ballasts

#### Advantages of the T8 LED Tube

- High energy efficiency with 1913 lumens.
- Easy installation with 2-end connection.
- Made of aluminum and polycarbonate for greater durability.
- Compatible with existing lighting systems with ferromagnetic ballasts.

#### Applications of the 20W T8 LED Tube

The **120cm T8 LED Tube** is ideal for a wide range of applications, such as:

- Office lighting
- Warehouse lighting
- Workshop and garage lighting
- Commercial and residential installations
