

REKA Black Outdoor street light Column 3 - 4m

Product codes:

Reference: 2124

Product features:

Measures (mm): 3000

Measures (mm): Acero + Esmalte de Poliuretano

Material: Steel

Certification: CE - RoHS

Product attributes:

Options: 3m, 4m

Product description:

REKA Outdoor Lighting Column in Black Lacquered Steel - High Resistance and Quality

Delivery time for this column about 10 to 30 working days

Robust and Durable Construction

The REKA Column for outdoor lighting is made of high-quality steel tube, available in diameters of 60mm and 90mm, and lacquered in an elegant black color. We offer height options of 3 and 4 meters to suit various outdoor lighting needs.

Premium Materials and Finishes

The steel tube, with a thickness of 2mm, is coated with Gloss Black paint - RAL9005 - made of top-quality oven-baked polyester, ensuring high hardness and weather resistance. Additionally, it features high-quality anti-corrosion paint, certified according to ISO 12944-2 CLASS 3, ensuring a long lifespan and protection against oxidation.

Practical and Functional Design

The REKA Column features a pointed finish with a 3/4" nut to facilitate the installation of lanterns. Its two-piece design allows for easy transport and assembly, even by a single person, which speeds up the installation process.

Compliance with Standards and Certified Quality

The REKA Column complies with the environmental requirements standard UNE-EN ISO 14001:2015 and the quality standard UNE-EN ISO 9001:2015, 1 ensuring a product manufactured to the highest standards of sustainability and quality.

Important Delivery Information

The delivery time for the REKA Column is approximately 10 to 30 working days.
