

BERLIN E27 IP54 Rust Red Wall Lamp

Product codes:

Reference: IL-90578

Product features:

Power (W): Máx. 50W
Lampholder: E27
Colour: Óxido
IP: IP54
Frequency (Hz): 50-60Hz
Measures (mm): 200x100x100mm
Material: Aluminum + PC
Operating temperature: -20°C ~ +55°C
Certification: CE - RoHS
Warranty: 3 años

Product attributes:

Product description:

BERLIN Rust Red Wall Light The **BERLIN wall light** is a decorative and functional lighting solution, ideal for outdoor use thanks to its IP54 protection. Made of aluminum and lacquered in rust-like corten steel brown, this light fits perfectly in both modern and rustic environments.

Inside, the **BERLIN wall light** includes a socket for an E27 LED bulb (not included), allowing you to easily replace the lighting without changing the entire lamp. Installation is done from the front, making it quick and easy.

The opal polycarbonate cover of the **BERLIN wall light** emits light both from the top and bottom (Up & Down), bathing the wall and providing indirect ambient lighting. This design is perfect for creating cozy atmospheres on terraces, balconies, patios, and gardens.

Features of the BERLIN Wall Light

- **Material:** Aluminum lacquered in rust-like corten steel brown
- **Socket:** For E27 LED bulb (not included)
- **Protection:** IP54, suitable for outdoor use
