Product description:

Waterproof IP65 Fixture for a 120cm Tube

Empty waterproof fixture prepared for the installation of a **120cm tube**. The waterproof fixture has a protection rating of **IP65**.

The **fixture** is made from ABS and polycarbonate, featuring a grey base and a translucent diffuser that allows light to pass through without loss of intensity. With dimensions of **1270x66x90mm**, the fixture has a compact design and is easy to assemble.

The **fixture** is supplied pre-wired, with a **G13 socket** and **versatile connection for one or two ends (with or without a starter fuse)**.

You can use any of our **120cm tubes**.
