#### **Product attributes:**

## **Product description:**

Tiltable Round Brushed Nickel Recessed Downlight GU10 Ring for LED Bulb GU10/MR16 Elegant and Functional Design for Customized Lighting

This **tiltable round brushed nickel recessed downlight GU10 ring** is perfect for the installation of **dichroic LED bulbs**, compatible with both **MR16** and **GU10**. Thanks to its **tiltable and adjustable** system, it allows you to adjust the light direction according to the needs of each space, making it an ideal option for highlighting decorative elements or focusing on specific areas.

**Durable and Resistant Material** 

Made of high-quality **steel** with a **brushed nickel finish**, this recessed downlight ring ensures great resistance and durability, guaranteeing a solid and aesthetic installation in the long term.

**Technical Specifications** 

• Ceiling Cut: Ø70mm

• Exterior Dimensions: Ø90mm

• Depth: 25mm

Material: Steel with brushed nickel finish
Compatibility: LED GU10 and MR16 bulbs

• Orientation: Tiltable and adjustable

#### **Product Advantages**

- Elegant and modern design in brushed nickel, adaptable to any decorative style.
- Tiltable functionality that allows you to direct the light as desired.
- Made of durable steel, ensuring long-lasting durability.
- Easy installation in plaster ceilings or similar surfaces.
- Compatible with LED GU10 and MR16 bulbs, offering versatility in lighting choices.

Applications of the Tiltable Round Brushed Nickel Recessed Downlight GU10 Ring

The **tiltable round brushed nickel recessed downlight GU10 ring** is ideal for various indoor applications, where customizable and adjustable lighting is required. Some of its applications include:

- · Living rooms and dining rooms
- · Stores and shop windows
- Offices
- · Hotels and restaurants
- Hallways and foyers
