Product description:

Fixed Round White Recessed Downlight GU10 Ring for LED Bulb GU10/MR16 Elegance and Style in Lighting

This **2-pack savings bundle** of **fixed round white recessed downlight GU10 rings** is ideal for the installation of **dichroic LED bulbs**, compatible with both **MR16** and **GU10**. Its refined design allows for creating exclusive decorative environments, adding an elegant and minimalist touch to any space.

Thanks to its **fixed** format, these rings provide direct and uniform lighting, making them an ideal option for ceilings where a fixed and stable light is required.

Durable and Resistant Material

Made of **high-quality steel** and finished in white, these recessed downlight rings offer great resistance and durability, ensuring an aesthetic and functional installation in the long term.

Technical Specifications

- **Ceiling Cut:** From Ø50mm to Ø70mm
- **Exterior Dimensions:** Ø80mm
- **Depth:** 30mm
- **Material:** Steel with white finish
- **Compatibility:** LED GU10 and MR16 bulbs
- **Orientation:** Fixed

Product Advantages

- Savings pack with 2 recessed downlight rings at a reduced price.
- Elegant design in white, ideal for any decorative setting.
- Made of durable steel for increased longevity.
- Secure fixation and easy installation.
- Compatible with LED GU10 and MR16 bulbs.

Applications of the Fixed Round White Recessed Downlight GU10 Ring

The **fixed white recessed downlight GU10 ring** is ideal for a wide variety of indoor applications. Its simple design and secure fixation make it perfect for lighting:

- Living rooms and dining rooms
- Stores and shop windows
- Offices
- Hotels and restaurants
- Hallways and foyers
