

## Empty Tri-Proof Light 120cm IP65 for 2 LED Tubes

### Product codes:

Reference: IL-1122

### Product features:

Lampholder: G13  
IP: IP65  
IK: IK08  
Measures (mm): 1270x95x60mm  
Material: ABS  
Certification: CE - RoHS  
Warranty: 3 años

### Product attributes:

### Product description:

Housing prepared for the installation of 2x 120cm tube. The waterproof housing has an IP65 protection rating. The housing is made of ABS and polycarbonate, with a grey base and translucent diffuser that allows light to pass through without loss of intensity. It measures 1570x95x60mm. The empty waterproof housing is supplied pre-wired, with a G13 socket and single-ended connection, following the manufacturing standard of most LED tubes. You can use any of our 120cm LED tubes.
