Product codes:

Reference: IL-PS17X15P

Product features:

Colour: Plata

IP: IP20

Measures (mm): 17x15x2000mm

Material: Aluminum + PC

Certification: CE - RoHS

Warranty: 3 años

Product attributes:

Colour: Plata

Product description:

Surface Aluminum Profile 17x15mm Silver Anodized with Opal Diffuser - 2 Meter Kit Elegant and Functional Solution for LED Strip Installation

The **17x15mm surface aluminum profile** is a clean, safe, and professional solution for LED strip installations. Its minimalist design in **silver anodized aluminum** integrates seamlessly into modern interiors, improving both aesthetics and thermal dissipation.

It has a **12mm inner usable width**, compatible with most LED strips. The **2-meter complete kit** includes all necessary accessories.

Kit Contents

- 1 x 2-meter silver anodized aluminum profile (17x15mm)
- 1 x 2-meter opal white diffuser
- 2 x Metal mounting clips
- 2 x Grey end caps with hole

Installation Recommendations

- **Surface mount:** easily fixed to ceilings, walls, furniture, or showcases.
- **Indoor use:** suitable for dry areas only (IP20).
- **Thermal management:** improves heat dissipation and LED lifespan.
- **Opal diffuser:** smooth and even lighting without visible LED points.

Recommended Applications

- Decorative lighting for shelves, cabinets, corridors, or displays.
- Functional lighting under kitchen units or work desks.
- DIY projects or professional interior design.
- Commercial environments and product showcases.

Compatibility

Compatible with all LED strips up to 12mm wide. Check our online store for available models.
