

## Fuente de alimentación profesional MEANWELL 5V 40W 8A IP67

### Códigos:

Referencia: FAMW40W5V

---

### Ficha técnica:

Potencia (W): 40  
Voltaje (V): 5V-DC  
Grado IP: IP67  
Certificados: CE - RoHS  
Garantía: 5 años

### Variantes disponibles:

### Descripción del producto:

Fuente de alimentación profesional de 40W a 5V-DC, de la marca MEANWELL, que convierte la corriente alterna de 230V a corriente continua de 5V.

Cuenta con certificación TÜV. Con grado de estanqueidad IP67, para su uso tanto en interiores como exteriores.

Apto para uso 24/7.

5 años de garantía.

### Galería de imágenes:

The image displays a MEAN WELL LPV-60-5 LED driver, a compact electronic component used for power regulation in LED lighting. The device is shown from two perspectives: a top-down view on the left and a side view on the right. The top-down view shows the printed specifications: LPV-60-5, 12V, 500mA, 6W, and IP67. A circular logo indicates a 5-year warranty. The side view shows the component with blue and red wires and a splash of water, emphasizing its IP67 waterproof rating. The central black box contains the MEAN WELL logo, IP67 rating, and various certification marks: FCC, CE, RoHS, and TÜV SUD. The bottom of the box lists compliance standards: EN-61347-1-2-13, EN-61547, EN-61000-3-2, EN-62384, and EN-55015. A small MEAN WELL logo is also present in the bottom left corner of the product area.
