Faretto regolabile LED 12W per binario magnetico 48V OSRAM UGR17 chip

Códigos:

Riferimento: PL-FOR12W

Ficha técnica:

Potenza (W): 12
Voltaggio nominale (V): 48V
Temperatura di colore CCT: Seleccionable 3000K-4000K-6000K
LED: SMD2835
Marca di chip LED: OSRAM
Dimmerabile: Sí
Lumen (Lm): 990
Indice di resa cromatica (Ra):: ?90
Colore: Nero
IP: IP20
Angolo luminoso: 24º
Dimensioni (mm): Ø50x100mm
Materiale da costruzione: Alluminio + PC
Intervallo di temperatura: -20ºC ~ +40ºC
Classe Energia 2023: F
Vita stimata di diodo: 30.000h
Certificazione: CE - RoHS
Garanzia: 3 años

Variantes disponibles:

Temperatura di colore: CCT selezionabile (3000K-4000K-6000K)

Descripción del producto:

Magnetic spot 12W OSRAM 48V, 990 lm, 3 CCT, UGR17 Adjustable LED spot 12W 48V for magnetic track OSRAM chip 990 lm 3 CCT UGR17 black

The for features a high-performance chip, delivering , a and visual comfort of . Aluminium and black PC, tool-free click mounting on 27 mm track.

The **12W 48V adjustable LED spot** is a modern, compact lighting solution designed to provide glare-free accent lighting, with a **UGR 17** rating. Made of aluminium and PC, its black housing blends into any setting. It features a high-performance **OSRAM** LED chip, delivering a luminous flux of **990 lumens** with excellent colour rendering (CRI 90).

It lets you **select the colour temperature** between **3000 K** (warm white), **4000 K** (neutral white) and **6000 K** (cool white), adapting the mood to each space without changing the fitting.

Designed to run on **48V on 27 mm-wide magnetic tracks**, its click-mount system lets you fit it onto the track easily with no screws or tools. Adjustable, it directs the light onto the desired area — ideal for the modular lighting of shops, showrooms, living rooms and offices.

Why choose this product? **? OSRAM chip, CRI 90**
990 lm, faithful colour rendering. **? Selectable 3 CCT**
3000 / 4000 / 6000 K on a single spot. **? UGR 17**
Glare-free accent lighting. **? 48V magnetic track**
Tool-free click mounting, 27 mm track. Technical specifications Product type Adjustable LED spot for magnetic track Power 12W System 48V magnetic track (27 mm) LED chip OSRAM Luminous flux 990 lm Colour temperature (CCT) 3 CCT selectable: 3000 / 4000 / 6000 K CRI 90 Glare UGR 17 Dimensions Ø50 x 100 mm Material Aluminium and black PC Adjustment Adjustable Use Indoor Benefits

- **OSRAM chip:** 990 lm, CRI 90.
- **Selectable 3 CCT:** 3000 / 4000 / 6000 K.
- **UGR 17:** glare-free.
- **48V magnetic track:** click mounting.
- **27 mm:** no screws or tools.
- **Aluminium and black PC:** discreet.
- **Adjustable:** directable beam.

Recommended applications ? **Shops and showrooms** — accent lighting. ? **Living rooms and kitchens** — modular system. ? **Offices** — UGR17 comfort. ? **Galleries** — OSRAM chip. Installation guide 1 **Switch off the power**
Turn off the 48V supply to the track. 2 **Place the spot**
Click the spot onto the magnetic track without tools. 3 **Aim the light**
Direct the beam towards the desired area. 4 **Check**
Restore the power and check the lighting. Frequently asked questions **Which chip does it use?**
A high-performance OSRAM chip, 990 lm, CRI 90. **Can the colour temperature be selected?**
Yes, it has a 3 CCT selector: 3000 K, 4000 K and 6000 K. **Which track does it mount on?**
On a 48V, 27 mm magnetic track, by click, with no tools. **Does it reduce glare?**
Yes, its UGR 17 rating provides excellent visual comfort. ?
